PROTECTING A HEALTHY SEXUALITY IN YOUR LIFE, RELATIONSHIPS AND CHURCH COMMUNITY

SEMINARS & WORKSHOPS

With four different focus areas to choose from, each topic can be offered as an individual event or grouped together in a sequential order. A standard seminar is conducted within a 90 minute time frame with an optional Q&A for a more personalized discussion with the intended audience. Each of the focus areas can also be offered in a half-day or whole-day workshop format with a mixture of an educational overview, audience interactions, and break-out reflection or discussion exercises.

- **Creating an Awareness of Impact that the Sexualization and Digitalization of Modern Society Has on Our Faith and Relationships**
- **Creating a Proactive and Preventative Plan to Maintain Sexual Purity in Your Life and Relationships**
- **Directly Addressing and Rebuking Those Struggling with Sexual Purity Issues**
- **Protecting and Advocating for Healthy Sexuality within Your Church and Community**

CONSULTATIONS & TRAININGS FOR PASTORS, MINISTRY STAFF & TEACHER IN-SERVICES:

With a variety of formats to choose from, our staff can meet with you to establish the appropriate level of training needed as well as any specific recommendations for healthy change you would like to see in the structure and learning environment that is provided within your church, school or ministry.

PROFESSIONAL THERAPY ASSESSMENTS, CONSULTATIONS AND SERVICES:

Meet with a professional therapist on an individual, co-parenting or family basis, to assess your current situation, establish what is really needed, and provide recommendations of available resources within your church community, as well as professional therapy services to help create healthy, spiritual stewardship in your home.

INDIVIDUAL, COUPLES AND GROUP THERAPY SERVICES:

Meeting one on one or as a couple with the person struggling with sexual issues, the therapist will work with you to identify specific needs and help you create a personalized plan for growth and support. We also offer a variety of confidential therapy groups that aim at addressing core issues, facilitated by a trained professional and within the presence of others who struggle and are working towards recovery.
